

CONNECTING THE DOTS TO HOW YOUR TOP PERFORMING ASSOCIATES WANT TO BE REWARDED...

Let your top performers plan their own customized travel experiences with the assistance of our Personal Travel Concierge.

What do the Travel Experiences include:

- Our Concierge Team books flights, organizes meet and greet and transfers, secures exceptional hotels, resorts, or island adventures
- Spa treatments, private guided tours, shopping recommendations, or activities of their choice – a tour through Europe maybe or a rental car to drive down scenic Highway 1 in California – all with a personal approach
- Dining reservations made to meet specific needs – whether a picnic in the desert or a table just for two on a private beach
- Pre and/or post communication and amenities
- Whether it is for a trip of a lifetime, a family holiday, a bucket list adventure – it will be tailored just for them
- Our Concierge Team offers end-to-end services with their security and safety in mind

Each travel experience will be unique, memorable, enjoyable, completely stress free, and one that your top performers could never have had on their own. And it will not only allow them to remember *YOU* – the company that provided this memory, but it will also increase their loyalty and appreciation for your brand.
